Sample Collection & Sending Instructions

Clean your vacuum cleaner as best as possible. Vacuum area that you want – can be entire house, office, factory etc. or specific rooms/surfaces. Collect as much dust from vacuum cleaner as possible when finished and place in plastic lunch bag, seal and label as per below. It may also be useful to record approximate area along with room and surface details (i.e. carpet, table tops, curtains, 40 square metres etc.)

LABEL: Location you got the sample, any other relevant details, your name and date of sampling, needs to be on the sample.

Package sample in a box so it is secure and doesn't get damaged or leak.

Enclose THIS form within the box along with any other instructions or information

Post or Courier to EAL (postage details below) ASAP after collection. □
